Do you live in Ellesmere?

Free and Impartial Home Energy Surveys
are now available until March 2009

The Marches Energy Agency is now able to offer you free and impartial energy efficiency advice to you in your home until March 2009. It could help you save money at a time when fuel prices are on the rise.

- The service will provide you with an Action Plan tailored specifically to your home.
- It will cover changes you can make for free, insulation levels, heating controls, boiler efficiency, renewable technologies and measure your carbon footprint.

'I can't believe everyone doesn't want one of these – it'll help them save money!'

Mr Harry Bond Aged 95

- £££ for insulation: Free insulation is available if you are over 70.
- £99 for cavity wall insulation for those under 70.
- We also offer heating grants for vulnerable households.

Call the **Keep Shropshire Warm Team** on **01743 277123** to access the funding.

To book your free home energy survey please contact Jane Farncombe on: Ellesmere 622497, before March 2009
